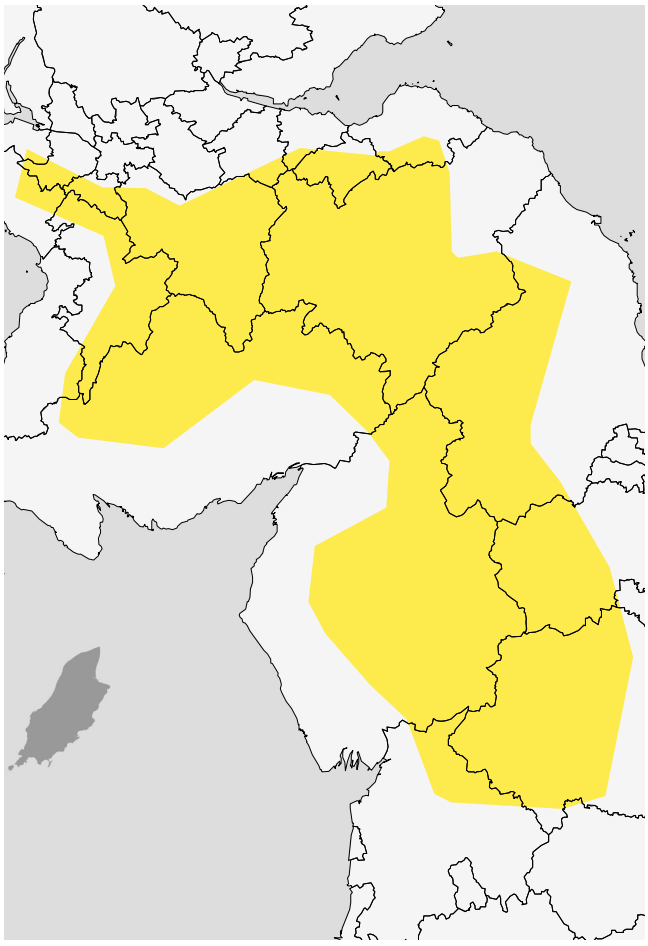
Yellow warning
Snow

Between
04:00 Thu 28 Jan 2021 and
15:00 Thu 28 Jan 2021



Heavy snow may lead to some travel disruption.

What to expect

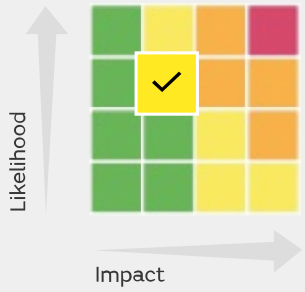
- Some roads and railways likely to be affected with longer journey times by road, bus and train services

Further details

A band of rain will move north on Thursday and turn to snow over high ground.

Snow is likely to low levels at times, but will mostly settle over higher ground above 200 m with 2-5 cm likely quite widely, while some places above 300 m may see 10-15 cm.

Less cold air following the snow could lead to some thawing and localised surface water flooding on a few roads.



Medium likelihood of low impacts
